Notes for Comparison Fee Schedules:

- Medicare Allowed fees are established by CMS for procdures (non-facility), lab fees, durable medical equipment, supplies, and drugs.
- Medicare Billed fees are the average of amounts on claim forms that were billed to Medicare for the code.
- Workers Comp fees are established by the U.S. Department of Labor.
- UCR fees are "Usual, Customary and Resonable" charges as established by the U.S. Department of Veterans Affairs.
- If the fee schedule has a ZIP code, the fees were calculated for or reported in that ZIP code's geographic area. "National" indicates fees that were NOT adjusted for a geographic area.
- If the fee schedule has a percentage (ex: 200%), the fees are multiplied by the percentage.
